Dear Mr. Schumin,

We have sent out numerous notices about the care of the carpet in the buildings. We noticed that there was spillage coming from your apartment door to the front building door. Please be aware that there is a carpet cleaning fee charged when our contractor has to wash and clean the carpet.

Consider this notice as a **warning**. If we observe any type of spillage stain coming from your apartment, we will charge you the carpet cleaning fee.

We ask that you please be mindful when taking out the trash from your apartment home. If you notice that the bag is too heavy or has a hole, double bag it to prevent spillage.

We thank you in advance for your cooperation.

If you have any questions and/or concerns, feel free to contact the office.

Thank you,

Hewitt Gardens team
